

Mix Pack

Best bang for your buck.

- **Best strains at the best price.** Try our Feminized strains for a fraction of price.
- **Find a genuine gem.** Some seeds are from exclusive strains that were never released.
- **Add some mystery to your garden.** A great chance to explore new genetics.
- **Maximum potency.** Strains with the highest THC content.
- **A perfect mix of the best flavors.** Try a variety of carefully selected terpene profiles.

A special offer for those who like experimenting with their garden. For just a fraction of the price you'll get several strains at once, featuring the same quality and the same 100% germination guarantee as with all of our strains. It's the perfect opportunity to explore the whole selection of Fast Buds photoperiod genetics and try something very unique: some of the seeds we include in this mix pack are of different, exclusive strains that we haven't released yet for general sale. Add some mystery to your garden and be sure that you will be rewarded with the best harvest on the market, as the seeds come from the keeper cuts of our private collection and the best genetics we can select worldwide.
